EXHIBITOR PROFILE

DAIRY FARMING

- Animal Genetics
- Feed & Feed Handling System
- Veterinary Product
- Farm Management
- Milk Machines
- Ancillary-Solar Panels, Genset
- Prefabricated Structures

MILK PROCESSING

- Processing Unit-Storage Tank, Pasteuriser, Homogeniser, Heat Exchanger etc
- Hygiene & Sanitisation-CIP Unit, Crate Washer System etc
- Quality testing equipments
- Dairy processors
- Waste management system
- Packaging material & machinery
- Automation
- Ancillary-Boiler, Gear Box etc

VALUE ADDED PRODUCT (VAP) MANUFACTURING

- Ghee making machinery
- Ice-cream making machinery
- Cheese manufacturing unit
- Others

COLD-CHAIN

- Cold Storage
- Refrigerated Trucks

VISITOR PROFILE

- Breeders
- Consultants
- Dairy Farmers
- Milk Processors
- Value Added Product Manufacturers
- Dairy Co-operatives
- Feed Industry Professionals
- Policy Makers
- Packaging Industry Professionals
- Scientist/Research Associates
- Supply Chain Solution Providers
- Traders/ Distributor/Agent/ Retailers
- Veterinarians
- Other Dairy Professionals
